Description

FEATURES & BENEFITS

- Designed specifically for the "Repair & Maintenance Market" the Vita Non Handed Repair Handle, incorporates the Vita "Quick Fix" patented spindle system, making it quick and easy to fit the spindle length of your choice without the need for hacksawing.
- Suitable for PVC-u, Aluminium and Timber windows, makes it a perfect addition to the Maintenance Engineer/Window Doctor's tool kit.
- Supplied in kit form, with 5 different spindle lengths and 2 x cut down M5 fixing screws.
- Spindle lengths supplied in kit: 10mm, 15mm, 20mm, 30mm and 43mm.
