## Description

## BENEFITS & FEATURES

- Lever/Pad variant: non-handed
- Dual spindle locks suitable for 92/62 PZ centres
- Designed for front door application
- 32mm width, blank backplate option available
- Die-cast Aluminium or Zinc Alloy
- 2 year surface finish guarantee thanks to durable PVD coating
- Porcel Coat offering a durable surface finish, exceeding 3,000 hours neutral salt spray when tested in accordance to BS EN 1670:2007
- Colour co-ordinated screw heads
- Packaged 1 pair per box, 20 boxes per carton

The Claymore Lever/Pad door handle compliments the Claymore series of window handles, hinges and Zinc-framed letterplates. Designed for applications where a long backplate is required, the fixings are sited above and below the handle grip.

Each handle set supplied with two twin internal spring cassettes, to ensure a positive and precise operation.
