Description

FEATURES & BENEFITS

Designed to meet the requirements of PAS 24: 2016, the Schüring Twin Cam Espagnolette offers enhanced security over and above conventional locking systems.

- Quick and easy to fit, with a wide range of profile specific keeps on offer, makes the Twin Cam the perfect product for Trade, Domestic and Commercial applications.
- Available in 20mm and 22mm backsets with 8mm or 9mm adjustable mushroom cams.
- Compatible with all Euro-groove profile systems.
- Sizes: TEB 360mm TEB 600mm TEB 800mm TEB 1000mm TEB 1200mm

The quantity of required keeps per twin cam depends on the length of the twin cam:

Twin Cam	Number of keeps
360mm	2
600mm	2
800mm	2
1000mm	3
1200mm	3
